

**The Local Offer or Summary of Provision
for children and young people with special educational needs or disabilities (SEND)
Keelham Primary school**

We are a fully inclusive school. We aim to ensure all pupils achieve their potential, personally, socially, emotionally and academically in all areas of the curriculum, (Regardless of gender, ethnicity, religion, sexual identity, physical ability or educational needs).

Children may have special educational needs that require additional support when progress has slowed or stopped. We implement a graduated approach based on the [guidance from Bradford Metropolitan District Council's Children's Services for SEN](#). This is based on an Assess-Plan-Do-Review 3 range structure.

If a child has a Statement of Special Educational Needs or and Education, Health and Care Plan, then we provide the support detailed in the plan.

Our offer at Ranges 1 to 3 for each area of SEN is described below.
